EAA member, Lynne Milliken is teaching a new one-day workshop in Collage/Decoupage at the Humphrey Museum on **June 27th, 10 am - 3pm**. Call or email Angela to reserve your place at angela@hmpm.org or 303-674-5429.

“ Create beautiful art on 3-dimensional objects! The joy of creating new images, understanding composition and color without drawing or painting, and giving new life or ordinary objects is the goal of collage/decoupage which has been an art form for centuries first in Asia then France, England and the US.
Using materials supplied by Milliken, all you need is your favorite scissors. Come join the fun!”
